Escape the Crazy Rat Race

Need to escape the crazy rat race?
Everyone needs a day or two away from the grind!

Well I have some good news for you! The Captains at River Inn and Marina have been having a great spring. The trout and red fish bite has been very good. Some days a limit is easy to come by and then other days pack your patience. The best fishing in my boat has been between 2 to 5 foot of water. Jig heads with 5" plastic or 3" Gulp either bounced along the bottom or under a cork have worked well for me, using new penny, white and pink. But don't forget my favorite "Live Shrimp"

Steinhatchee is the place to be for great fishing, good times with friends and awesome food from several local restaurants including the Dockside Bar & Grille at River Inn and Marina!

As you look to plan your day or days of relaxation, keep in mind we have multiple Captain's to accommodate large groups. Scallop season begins June 15, Don't wait to book your scallop adventure because captains and rooms are filling up fast!!

We look forward to seeing you soon!!!
