Marina Life & Fish Tales

What a Come back!

It was good to be back fishing the Steinhatchee Flats this past week after several months away. Back in December, I underwent a double knee replacement ... what was I thinking?!! Well, I was probably thinking that I'd like to get it over with and get back on the water ASAP, and I'm sure glad I did.

Turns out that I came back at the perfect time. The last ten days in March were pretty warm and turned the fish bite on hard. My charter clients had a great time catching huge trout and limiting out in record time. I had a great time, too, and found it difficult to get off the boat. As long as the weather held, I kept fishing for a total of nine days in a row! Those of you who have caught the fever know what I'm talking about.

As the water temperature continues to rise, try your hand popping a cork in 2-5' of water with cut bait or a Gulp, both worked well for me. Also, don't forget to stop by Steinhatchee River Inn and Marina to say hello. Thank you to all who prayed for me during my surgery and healing time. It's great to be back!
