"Many of the most highly publicized events of my presidency are not nearly as memorable or significant in my life as fishing with my daddy." - Jimmy Carter

Captain's Corner & Fish Tales from the Gulf

Captain Steve Kroll has been fishing his boat "Anna Marie Too" and the previous "Anna Marie" from this marina for 15 years. During this time Captain Steve has represented the Steinhatchee River Chamber of Commerce by donating his time and boat to offer 45-minute river tours to Fiddler Crab Festival visitors. Captain Steve says that it has been great fun and he has enjoyed meeting a lot of folks from all over. New friends and a few new customers over the years has been the payback.

Since the beginning of the festival, he has only missed one year. There has been a couple of years when the weather made a boat ride not so inviting. Captain Steve donates the proceeds of the river tours back to the Chamber of Commerce and appreciates the work the organization does along with all the volunteers. Captain Steve added that he has maintained membership in the Chamber since it was formed, also serving as a board member the first three years. Along with other local clubs and organizations in the community he appreciates the efforts that are made on behalf of the businesses and residents of Steinhatchee.

This year we had three boats running river tours from River Inn and Marina, Captains Steve Kroll, Mike Baker and Buddy Moorman.

GOD Bless, Good Luck, Good Fishing!
