Fiddler Crab Festival a Smash Hit!

Another Fiddler Crab Festival is in the books and, wow, the Steinhatchee Chamber and all its volunteers hit it out of the park this year!!!! A parade, 2 nights of fireworks, live entertainment, a plethora of vendors, delicious food, a fishing tournament, a poker run, and river tours! I'm certain there were other activities I inadvertently left out but this had to be a record weekend! Also, let's be sure to thank the Taylor County Sherriff Office for their hospitality and helping keep everyone safe and informed.

On Saturday I had the opportunity along with Captain Mike Baker and Captain Rick Julius to take visitors on river tours out of the River Inn and Marina. A great time was had by all, and we were blessed to see some wildlife along the river. About a 7-foot gator was seen as well as a bald eagle in addition to pelicans, ducks, water turkeys (comments), ospreys, and a couple of otters. Also, because of the extremely low tide Saturday morning guests were treated to some interesting rock formations that are usually hidden under the water. The River always has something to offer, we just have to slow down and observe.

Fishing has been good when you can catch the weather and tides at the right times. Trout, and reds are cooperating when you can get to them and fish. Live shrimp and soft plastics have been the baits of choice. A reminder to keep an eye on the tides as we get some extreme lows

this time of year. Best bet is to hire a guide to put you on the bite as this time of year can be fantastic.

So come on by the River Inn and Marina and stock up on all your fishing supplies, a breakfast sandwich, lunch and beverages and head out for a day on the water! Remember, you don't know if you don't go. Tight lines and safe boating!
