## Captain's Corner & Fish Tales from the Gulf

### Captain's Spotlight

Offering a complete guide service for inshore fishing, scalloping and river tours in Steinhatchee FL **Capt. Mike Baker** is a USCG certified Captain with over 50 years of experience fishing both fresh and salt water. Being born and raised in Marathon FL Keys he has been both a Commercial and Charter fisherman running boats up to 60 feet in length and now operating one of the roomiest 24' skiffs with an 8' -10" beam in Steinhatchee.

Commercial fishing included Florida lobster, Stone crabs, Yellow tail, Grouper, Longlining Swordfish and some net fishing. Charter fishing saltwater has included many species such as Sailfish, Marlin, Mahi Mahi along with many other reef species which are too many to list.

After leaving Marathon and moving to Central FL, he took up Crappie fishing both Charter fishing and 22 years of fishing the Crappie Masters tournament trails with many wins and Classic championships with the best fishing partner ever, his Grandson Dustin.

Back in 2012, he went back to the saltwater Charter fishing and scalloping out of Cedar Key while doing freshwater Crappie fishing Charters out of Silver Springs. Now he is at the end of the trail, moving to Steinhatchee six years ago to become a full-time charter captain for inshore adventures.

## Autism Anglers

We are excited to spotlight Autism Anglers. Autism Anglers mission is to bring awareness and acceptance to autism through the sport of fishing. Their goal is to educate a large percentage of the population (anglers) about autism and to use fishing as a calming therapy for those on the autism spectrum. Read more about this great organization on their web page: <https://autismanglers.org/>
